

May 2014 - Foothills District Roundtable

1. The next round table will be at East Cobb park and we will be joined by the Silver Comet District.
2. We can reserve campsites online for Atlanta Area Council campsites. The registration is a bit confusing. They walked through the process. Here are the steps:
 1. Go to council home page and camping.
 2. Select weekend camping (not forms) on the left menu. Note: on March 1st, units are able to request camping. You cannot request an activity date beyond May 1st of the following year.
 3. Select the number of camp visitors category but don't enter the number (this is important).
 4. Select the check-in weekend. We can only reserve from Friday to Sunday.
 5. Choose a campsite.
 6. Then checkout.
 7. If you want a facility, you can reserve a facility for 2 hour blocks.
 8. Then go through the checkout process. At the very end you finally enter the number of participants. The cost is \$0.00. The submission is not a reservation but a request. It becomes a reservation when you get the email receipt and then you contact Veronica. Call her and give her a credit card or mail in a check for \$25 to hold the reservation. She will then email you the reservation.
 9. The old system is still in place if you want to use it.
 10. Shooting sports may need additional paperwork.
 11. Advice. Don't let it time out or you will have to call Veronica to unlock it.
