

Adult Leader Meeting

6/22/10

2. Mill Spring Lock-in; scouts well behaved. One scout earned Rocket Merit Badge. Several new scouts came with several of them leaving around 1-2am and a few staying the whole night. Man hunt was played a lot. No internet anymore due to Mill Springs new policy. Only Mrs. Thorne has access to internet. Next year, make sure we have first aid kit on site.

4. BP trip successful and all survived the 50 miles.
5. First Aid Weekend all set for this weekend. Patrick is working with the Buffalos. We have a cook team. We need pavilions to set up if anyone has them we could borrow. George Blanco has several. Tim and Sam are going to do a campfire. Dawn Anderson is their counselor.
6. Summer camp: collecting permission slips and medical forms. One provisional scout going.
7. Camporall: Scott met with District. The theme is going to be Treasures of the Century (pirate theme). Oct. 29th-31st. There will be a flyer on the chicken sheet. Working on the registration process. Mrs. Jacquet will help with the patch design once it is determined. She also has contacts with Dicks and REI for prizes. Everyone, scout and adult needs to help. Mrs. Roberts will be the Health and Safety Officer.
8. Flour Wars: It can't be same weekend as Water Mania. There is not enough room for both with so many scouts. Water Mania is a good patrol activity. Full day event the weekend of August. When we do the flour wars, it is a good idea to do a service project for the camp. We also need an adult patrol for the flour wars. Water Mania: Mr. Roe will be in charge that weekend and will need lots of help and support, especially because he supports us so much.
9. Raccoon Mountain: August 5th-7th. Certification for zip lines?
10. Adult Planning Meeting: August 14th 8:30-1200. Mr. England to teach CPR after pizza.

13. Troop outings: August 9th. Popcorn kickoff: 8/2; troop meetings 16th, 23rd and PLC on the 30th. Mr. Anderson will be the Scoutmaster.

14. Roundtable: 2nd Thursday of the month. July's roundtable is at Covered Bridge. Mr. Moultrie will go this month, July 8th.
15. July 5th: Parent meeting and CPR proficiency for scouts. Required for some merit badges.
16. Popcorn sales: Mr. Davis is the Popcorn Chair. He will need several people to help him.
17. Bert Adams Ordeals in August has been moved to November.
18. Scouting for Food; Change to November or back to March with the Council. Feedback: popcorn and scouting for food overlap so March is probably better. Economy and change of dates affected collections. Recommended to do it again in March for one more year with Council and then reevaluate,
19. Advancement: Rank and advancement sheet handed out to ASMs per Mr. Richstein to hand out to patrol members. Change in rank requirements. EDGE model.
20. Training: Wood Badge training, Youth protected training needs to be done by August by everyone or no recharter. No flexibility. Get trained. It was mentioned to get the new parents trained at the New Scout Campout.
21. SWC 2011: 4th weekend of January Theme: Heroes.
22. Get trailer checked out before summer camp. Replaced 2 tires last year. Check tire pressure. We need a lug wrench, one for tires and one for spare tire. We also need a jack. Go and purchase it as we have a trailer fund. Mr. Richstein will check tires and pressure.
