3. Must Summer Lunch Program: Mrs. Thorne. Congratulate 714 on service. 10 scouts and adults served 86 hours. Must Ministry pantry is low. Mrs. Thorne is asking every scout to bring one can to every meeting and place in the box for Must. Bring in flea collars and baby wipes for the Marines. Flea collars worn on their ankles help with the bugs. Also, bring 2 outfits (shirt and pants) that you have outgrown to give to Must. July 7<sup>th</sup> and 8<sup>th</sup>, we will be stuffing backpacks at First Baptist Church at Woodstock. July 19<sup>th</sup>: Give a kid a chance: we need scouts to help direct traffic.

10. Water Mania; August 23rd. Good opportunity to try new water sports.
11. July 21<sup>st</sup>: we will be donating food to make lunches for Must lunches. Sign up list is available.
12. Popcorn: last year goal was \$15,000. Troop gets 35% of what we sell. This buys camping equipment and general running of the troop. Fair Share Goal: \$300 in sales per scout or 11 items. If everyone does their fair share, we will reach \$15,000 goal. Goal is 100% participation. If you can't meet fair share goal, meet participation goal by selling or buying at least one item. Last year, we had 87% participation. Awesome! The year before, we had 70% participation. This year we want 100% participation. Around this table are the leaders of the troop. Lead by example. Set goals higher than past goal. At the October PLC, I want to congratulate the leaders on meeting our goal. Trying to get prizes. Already have Bruster's, Mountasia and CiCi's coupons. If scouts know of places to get coupons or prizes donated, let Mrs. Hunt know.
13. Patrol leaders: Need to incorporate patrol yells. Promote patrol yells at summer camp. Keep your patrol members quiet during program. Get your Den Chiefs, if you have any, to present presentations to their packs.
