

Photography Permission Slip

A picture directory and a Troop directory display board for meetings are being created. Troop 714 would like your permission to use your child's picture in these. His name will be printed next to his picture. We will never distribute these directory pictures outside of the troop, nor will we attach the directory pictures to the Troop website. These directory pictures will be used exclusively for Troop 714's directories and records database.

Please take a moment to let us know your preferences regarding our use of photos of your child:

YES. I grant permission to use photos of my child for a picture directory and a Troop directory display.

-OR-

NO. Please do NOT take or use any photos of my child for the directory or records.

(Note: Even if you answer "NO", albums from troop events may still continue to contain pictures of your Scout. When such activity photos are posted online, BSA policy does not authorize the listing of a Scout's name or other personally identifying information.)
