

Health & Safety News

1. ALL old Class 1, 2, 3 medical forms will be shredded effective March 15, 2010 as they can no longer be used per BSA policy. The deadline has already been extended past Jan. 1 but will NOT be extended further. You don't want to miss out on participating in events with the troop when this can be so easily taken care of.
2. Go to the troop website for blank forms.
3. EVERYONE in the troop should have completed the new forms effective Jan 1, 2010 that I've been telling you about for almost a year.
4. The new forms: Parts A, C are needed by everyone: adults (not just leaders) & youth. Part C needs to be notarized. The troop has notaries available most troop meeting nights to assist. **Part B is necessary for anyone, youth or adult who'll participate in any event exceeding 72 hrs.(a weekend) like summer camp, high adventure trips & requires a physical exam by either an MD or NP.
5. **All forms are good for ONE (1) YEAR ONLY from the time that they are dated. So for those of you did the new forms last year before summer camp, your form is current until the date you completed that form. If you're not sure when that was, please email me at mgparoberts@earthlink.net & I'll check for you.
6. So please bring 2 (TWO) copies of your medical form to be notarized (notary seals have to be original on both in order to be legal) along with 2 copies of both sides of your insurance cards ASAP. If you have any questions, please email me.

Summer Camp Physicals: **Sat. May 8, 2010**

Location: TBD. **Cost:** donation of \$2-3

A great way to get those physicals completed as required YEARLY for ANYONE participating in events lasting longer than a weekend.

Location & time: will be announced when information available.

Mark your calendars now!!!

Den Chief Training:

Sunday. April 11, 2010 at Mt. Paran Church of God. On Allgood Rd. for anyone interested in serving as a Den Chief.

Remember you must be trained in order to earn leadership credit for this position.
