Ferrell,

District Roundtable Topics:

- Jun 14th University of Scouting
- Jan 15th: Good Egg award nomination deadline- award given at banquet
- Jan 8th: District Award of Merit nomination deadline
- Big Rock topic: role of Unit Commissioner
- Camp Card kickoff next two weeks
- Break-out:
 - o Safety: cold weather (e.g. layering, good gear like sleeping bags, tents, boots), driving (e.g. avoid distractions like phone, proper rest, maintained vehicle), pulling trailer (e.g. weight at tongue, functioning lights, tire dates and inflation)
 - o Crossovers: how is everybody doing this, how integrate into Troop, handling new rank requirements
 - We mentioned that our Troop is at crossover and present the crossovers with t-shirt, patch, and later red box
 - We mentioned how we have a “New Scout” campout with adult side and scout side- scout side lead by scouts
 - Also, mentioned the “addendum” booklets given out to scouts for new scout requirements
