

## Adult Leader Meeting

Jan. 22, 2008

1. O/A elections are in 2 weeks. Requirements are 15 nights camping with one long campout. We need to get the roster right so we can see who is eligible. Look at Timberwolves and Dragons.
2. Goals adopted in August, we are halfway through the year. Recruitment is the number one goal. Venture patrols are the number 2 goal. Pictures need to be taken of all scouts and adults if not already done for the poster. Partials outside of summer camp, don't know what is outstanding. Send to Advancement/or records. Merit Badge Clean-up Day is done with many scouts coming and finishing up merit badges. Good goal for next year. Training for Committee and ASMs. Would love to see an Adult Training Coordinator. Complete uniforms should be worn by scouts and adults. Hoodies should be off when inside especially in the Sanctuary. Lets all pull together to try and make these goals set happen.
3. New scout recruitment program: 3 troop visits. Keheley- 0 scouts. Pack 417- (Rocky Mountain) -2 visits. Boys had fun. We have one more pack to visit. Crossover for Davis (1417) on March 17<sup>th</sup>. 12 Webelos IIs, we will get 6-8 of those scouts. Mountain View has 4 scouts already committed to another troop, Carabiners were a good idea. Have scouts invite their friends with a friend's night. Troop gets 3 or 4 scouts who walk in per year. Ryan Sands and Stephen Poole, Troop Guides have done a great job.
