

Activity Consent/Permission Form CHANGE

All:

To better align with National standards on health and safety, the BSA National [Activity Consent Form and Approval by Parents or Guardian](#) is the appropriate form for all Scouting outings in T-714.

You can download the new form from the above link or at:

<http://www.scouting.org/filestore/pdf/19-673.pdf>

Please direct any questions to Committee Chairperson, Barbara Jacquet, or Scoutmaster, Ferrell Moultrie. Thanks for your help in spreading the word that the old forms need to be replaced in everyone's Scouting supplies!

Yours in Scouting,

Ferrell Moultrie
