

**Introducing the
most innovative
camping
experience in
Atlanta!**

December 27-31, 2012

The Atlanta Area Council is proud to introduce the inaugural Winter Camp at the Bert Adams Scout Reservation. For 5 days and 4 nights in December of 2012, Boy Scouts will have the opportunity to camp and play at one of America's premier camps.

- **Merit Badges**
- **Games & Cracker Barrels**
- **Polar Bear Club**
- **Cold Weather Camping activities**
- **Unique Adventure Programming**

Our winter camp will introduce unique programs and merit badges that are not available at either of our summer camps. We will be pulling together the best of our summer camp staffs (Woodruff and Bert Adams) for an all-star leadership team.

Registration and leader's guide will be available in May 2012. Scouts can attend as a Troop, patrol, or as an individual provisional Scout.

For more information on winter camp, contact Andrew Gast at 770-989-8820 or Andrew.Gast@scouting.org.
