**What to Bring:** Normal dump camping equipment

**Cost:** \$10 per scout and Webelos + approximately \$16 for food

**Register:** Sign-up at Troop Meeting

FOOTHILLS DISTRICT  
2013 FALL CAMPORALL

# HEROES & VILLAINS

The theme of this event is **"Heroes & Villains!"** The competition will be intense as Troops are pitted against each other in head to head scout skill activities and games. Each Patrol will choose and represent their own heroes and villains theme by creating patrol flags and costumes. Cool prizes will be given for Scout spirit, games, skill competitions, best patrol flag, and best hero costume, and best villain costume.

And for new adults, avoid being confused about the perilous process of navigating "Crossing Over" from Cub Scouts to Boy Scouts; you'll most certainly want to attend the Webelos Crossing Over and Basic Camping Gear seminars presented in the afternoon.

The Foothill District Fall Camporall provides a team building experience where Scout Troops can use their Scout skills in a fun and competitive setting. The Fall Camporall offers an opportunity for Webelos to complete Arrow of Light requirements. It also encourages Webelos, their parents, and Webelos leaders to camp with potential Troops to gain insight into how the Boy Scout program works.

Proper preparation begins with registration. Registration will be performed on-line. Please note that the BSA "Guide To Safe Scouting" will be adhered to at all times. Please be certain that your Troop has a reference copy readily available. If you have not been to a recent Foothills District event, come out and see what you've been missing!!! A detailed informational packet to be posted soon at [www.foothillsbsa.org](http://www.foothillsbsa.org)
