

Merit Badge Cleanup

If you have unfinished merit badges, this is going to help get them completed.

When: Sunday, December 15

Time: 3:00 to 5:00

Where: MVUMC

Cost: Free

This event will help you get unfinished badge-work signed off. This is not a clinic. All work for the badge will need to be completed before you come to this event. This will be an opportunity for you to see several merit badge counselors in one afternoon to go over what you have completed and get them to sign your blue cards.

Please sign up and indicate the merit badges you would like to complete. There is a complete listing with the signup sheets of all partials in TroopMaster.

Adult in Charge: Ginger Moss MBC@troop714.org
