

Deadline for Donations to Summer Lunch is May 19

It's that time of year again! Every year, Troop 714 helps kick-off the Summer Lunch Program by supplying Mountain View MC with enough food for the first week of summer.

This program is sponsored by Cherokee Co. MUST. They organize and distribute over 300 lunches a day during the weeks of summer vacation. These are the same kids that qualify for reduced cost lunches during the school year. This may be the only consistent meal that these kids get for the day.

Please bring the following items:

Juice boxes, 20 ct.

Fruit snacks, 20 ct.

Chip bags, 20 ct.

Cookies or cracker packets, 20 ct.

A 20-slice pack of meat, and the same of sliced cheese (stored in Annex frig.)

Deadline for all the above items is Monday, May 19.

Please deposit the items by the Must box at the front door. Then, after each meeting, arrange to carry/store them at the Annex building according to Mrs. Thornes' instructions.
